

EDGE 10W-60

SAE 10W-60 for special BMW M-Series engines

Applications

Castrol EDGE 10W-60 is a fully synthetic engine oil offering exceptional protection for high performance engines.

This product is the sole oil approval for certain BMW M series eg M5, plus Z8.

Features / Benefits

Delivers performance that has been designed especially for the BMW M-series.

High degree of engine protection at elevated high and low temperatures.

Fully synthetic technology.

Specifications / Performance

BMW approval for M series and Z8 models.

API SJ/CF

Storage

All packages should be stored under cover. Where outside storage is unavoidable drums should be laid horizontally to avoid the possible ingress of water and the obliteration of drum markings. Products should not be stored above 60°C, exposed to hot sun or freezing conditions.

Health, Safety and Environment

Health, safety and environmental information is provided for this product in the Materials Safety Data Sheet. This gives details of potential hazards, precautions and First Aid measures, together with environmental effects and disposal of used products.

Castrol (UK) Ltd. or its subsidiaries will not accept liability if the product is used other than in the manner or with the precautions or for the purpose/s specified. Before the product is used other than as directed, advice should be obtained from the local Castrol office.

Typical Characteristics

Test Methods	Units	Value:
--------------	-------	--------

SAE 10W-60

Test	Method(s)	Unit	Typical
Relative Density 15°C	ASTM D4052		0.864

Appearance	Visual		Clear & Bright
Viscosity 100°C	ASTM D445	mm ² /s	24.2
Viscosity 40°C	ASTM D445	mm ² /s	161
Viscosity Index	ASTM D2270	None	179
CCS -25°C	ASTM D5293	cP	4860
Flash Point, PMCC	ASTM D93	°C	200
Ash, Sulphated	ASTM D874	% wt	1.1
Total Base Number, TBN	ASTM D2896	mg KOH/g	
Pour Point	ASTM D97	°C	-51

The above figures are typical of those obtained with normal production tolerance and do not constitute a specification.

This Data sheet and information it contains is considered to be accurate at the date of printing. No warranty or representation, expressed or implied, is made as to the accuracy or completeness of the data and information contained in this publication.

It is the User's obligation to evaluate and use products safely and within the scope advised in the data sheet and to comply with all applicable laws and regulations. No statement made in this publication shall be construed as a permission, recommendation or authorisation given or implied to practice any patented invention without a valid licence.

The Seller shall not be responsible for any loss or damage resulting from any hazards or risks identified in the data sheet and which are associated with petroleum products concerned (provided that this disclaimer shall not affect any statutory rights of the Buyer of the petroleum products concerned).
