

TQ Dexron® III

DESCRIPTION

Castrol TQ Dexron® III is an automatic transmission fluid specifically designed to meet the requirements of the Ford Mercon® 94, Allison C4 and General Motors Dexron® III specification.

APPLICATION

It is suitable for use in all General Motors automatic transmissions and also for all other makes of automatic transmissions for which Dexron® III fluids are specified.

It is fully compatible with earlier Dexron® and Mercon® type fluids and may be used for topping up or completely replacing. Castrol TQ Dexron® III is dyed red to distinguish it from engine oils should leakage occur.
